

ADDITIONAL CHAS AND MIA AUDITION SCENE

EXT. POOL - DAY

Mia dips her hand in the crystal-clear water.

CHAS

I found the chemicals in the garage. I come by, like, twice a week.

He strips off his shirt and shoes.

MIA

You know how to do it?

CHAS

I used to take care of our pool after my stepdad ran over the pool guy.

(beat)

There was a lawsuit and stuff. Did you know that the Mexican word for lawyer is avocado?

MIA

No.

CHAS

I sucked at Spanish. Guess it doesn't matter now.

MIA

So no one else goes swimming with you?

CHAS

I didn't want 'em to know. It's like, there's the part you want everyone to see, like your Facebook part, and then there's the part you want to keep just for you. Like your password.

MIA

So what's your password?

He's reluctant, but realizes how ridiculous it is to worry about it anymore.

CHAS
"Heatherbaby."

MIA
Did she break your heart?

Chas half-smiles, but says nothing. Thinking about this undoubtably-dead girl is tough for him.

She looks him in the eye, as if weighing his soul.

MIA (CONT'D)
I'm pregnant. I found out just before we left for the Canyon. I didn't say anything to my boyfriend, because it wasn't...

(restarting)
Everyone sort of knew we weren't coming back. And when we got there, when we started walking, I could just feel this instinct that wouldn't let me do it. I had to stay.

CHAS
Does Josh know?

MIA
You're the only person on Earth who knows.

CHAS
Why me?

MIA
You told me your password. You showed me your secret pool. You have to trust someone.

ADDITIONAL WALLACE AUDITION SCENE

EXT. GARAGE - DAY

Norman hands Wallace tools like a nurse assisting during a difficult surgery.

WALLACE

Thing about a Thai prostitute is you gotta remember the culture. The family. Now, take an American prostitute...

NORMAN

Okay.

WALLACE

Her daddy treated her wrong, right?

NORMAN

Right.

WALLACE

Wrong. You're thinking strippers. Daddy gave 'em the rod, so they're on the pole.

NORMAN

Pole. Right.

WALLACE

The American prostitute has a healthy relationship with her father. The problem she has is about drugs. Ninety to 100 percent, drugs. But a Thai prostitute, sure, maybe two in five are riding the glass dragon, but you know why they're turning tricks in the first place?

NORMAN

No.

WALLACE

For their families. To make a better life for their families back on the fish farm. They got that American dream in their heads.

WALLACE (CONT'D)

So they see a big Black American man minding his business in Samut Prakan, boom, they know they have to have a piece of that. Even if it hurts a little, they're gonna do what it takes to get some of that America spirit in them.

NORMAN

They sound patriotic.

WALLACE

Hard work. They're not afraid of hard work. That makes all the difference.
