These are the pink pages. You'll find they consist almost entirely of dialogue tweaks.

That's not to sell them short; dialogue is an important part of any film. However, for most departments, the impact of these revisions will be minimal.

Your packet should consist of the following pages:

PINK COVER SHEET  
44  
44A  
50  
51  
51A  
64  
64A  
68

69A  
80

Enjoy.
